VIVERE CON GUSTO

VICE
VERSA

We represent the following brands:

Kinto is a Japanese brand of high quality. They place great emphasis on high durability, functionality and design of their products. Kinto offers a wide range of cups, teapots, coffee makers and accessories.

Forever is part of Kaufgut group, which is from Bolzano in Italy. Forever produce espresso makers of high quality and is the only manufacturer in the market that has received the certification "Marchio di Qualità sensoriale" of the Italian association of tasters "Centro Studi Assaggiatori di Brescia".

Eigenart is a German company specializing in manufacturing and sale of exclusive cans and tea cups. Eigenart has outstanding packaging that is eye-catching and appealing.

Horwood: Horwood is a British company from 1896, which specializes in stainless steel products. They have several product lines, we have chosen to brand Judge and Stellar. Horwood products are of the highest quality.

ViceVersa is an Italian firm that produces incredibly beautiful products for the kitchen. They have in-house designers that make the design attractive and eye-catching. ViceVersa produce bla. Toasters and juicers

KINTO

KINTO STORY

Let your day be filled with what inspires you.

It's about slowing down and seeing the beauty of nature in the change of seasons. It's about savoring a delightful dish with close family and friends to unwind and feel wholesome. It's about coming to understand the joys of finding things that feel just right in your hands. We imagine the scenes that enrich your life to develop and bring you products with genuine creativity and thoughtfulness.

OUR PRODUCTS

Usability and aesthetics. We as makers, value the balance between these two elements. Products with an ease of use is comforting to all the senses and lead to a growing fondness over time. A tableware with elegant presence blends naturally with the living space and adds color to daily life.

We aspire to create products that stand by you in your everyday life. This is why we continue to seek inspiration from moments and stories held precious by the users. We work to create products which will inspire and give fulfillment with every touch and use.
