Charm Jewellery Boxes

Stackers jewellery boxes are designed so you can create your own by choosing which layers and accessories best suit your unique collection. This Classic Charm Jewellery Box Lid is designed specifically for the charm collector. With compartments for two bracelets and plenty of charms, it's ideal to keep your collection organised and protected. If you have a large charm collection, or if it's still growing, organise it safely with Stackers. From Charm Jewellery Boxes, Charm Layers or Charm Travel Jewellery Boxes, there's something for all types of collections.

The Stackers Bag Collection

Life's Journey, Simplified

For the commuter, the gym goer or the busy mum, we have created a collection of bags for the modern-day woman with style and practicality in mind. Each bag has key features to help you stay organised wherever you're headed.

Blush Handbag
see page 110

Blush Handbag
see page 110

Black Laptop Bag
see page 118

Key design points from our research:

Stay stylish whilst on the move

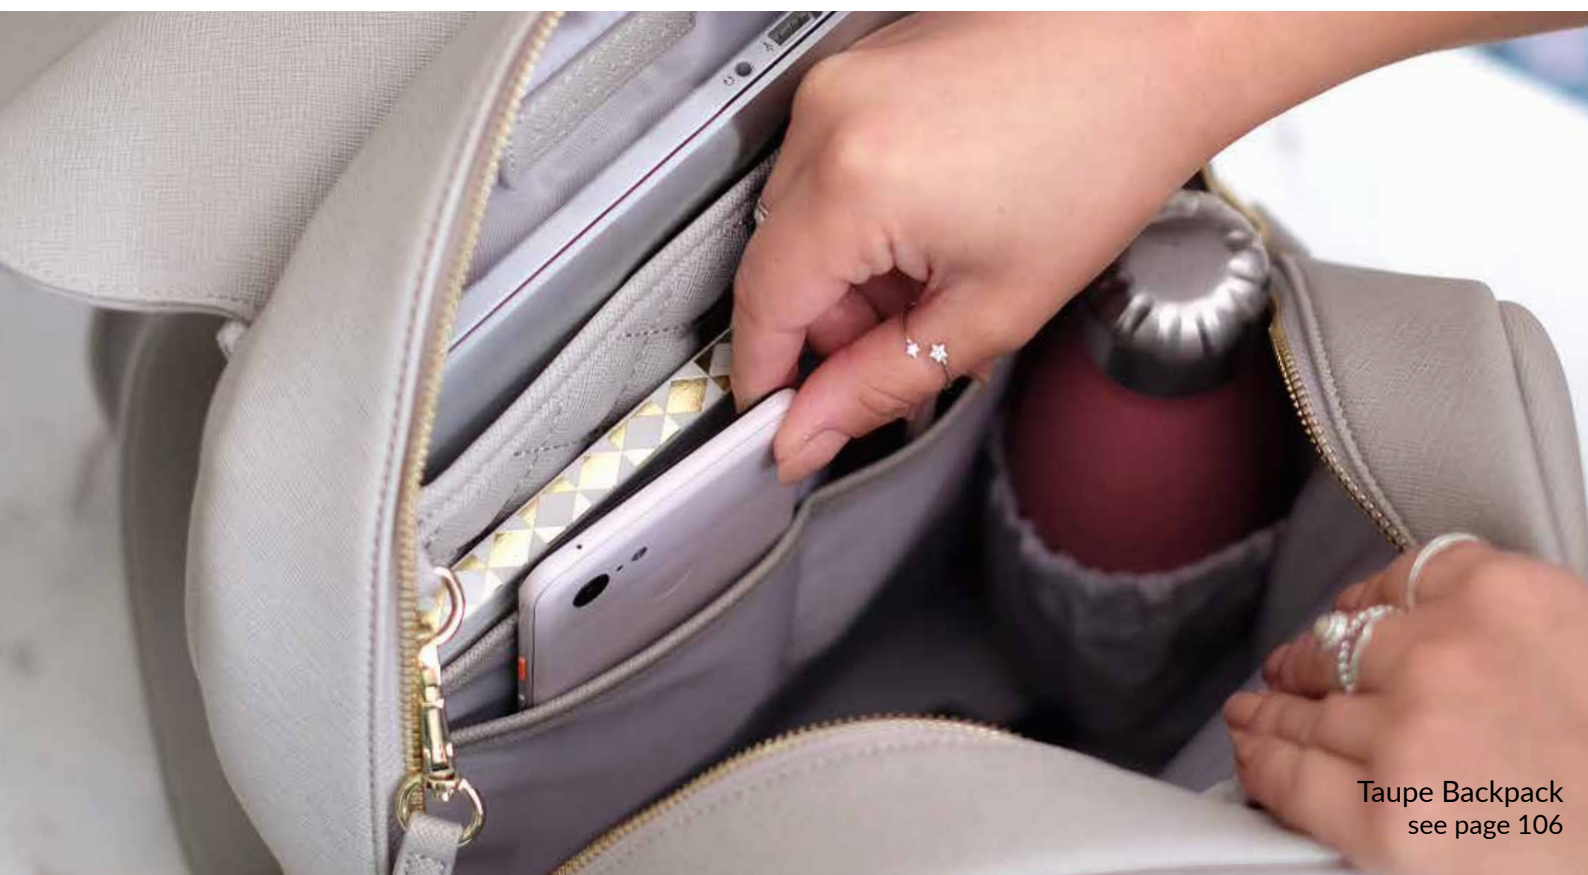

Most bags within the collection have been designed to fit over suitcase handles, allowing you to stay organised whilst traveling.

A place for all your essentials

Gone are the days of losing your keys, every bag has been cleverly designed to keep all your daily essentials and more organised with multiple internal and external pockets.

Designed for comfort

Find a carry style to suit you. All bags come with a removable padded shoulder strap or carry handles. Star of the show - The Three Wear Laptop Bag.

Taupe Backpack
see page 106

Taupe Backpack
31 x 15 x 34.5cm
74418

The Backpack

There will be no excuses not to stay super organised with this ladies' backpack. With a faux leather exterior, our backpack includes a large internal padded sleeve for your laptop (up to 13 inch), multiple pockets, a space for your drinks bottle and a large compartment for all your daily essentials. To the front you'll find a built-in cable tidy to help keep all your cables in check as well as a small removable zipped coin purse. Helping you stay beautifully organised!

Designed to fit on
your luggage.

Space for a laptop (up to 13 inch).

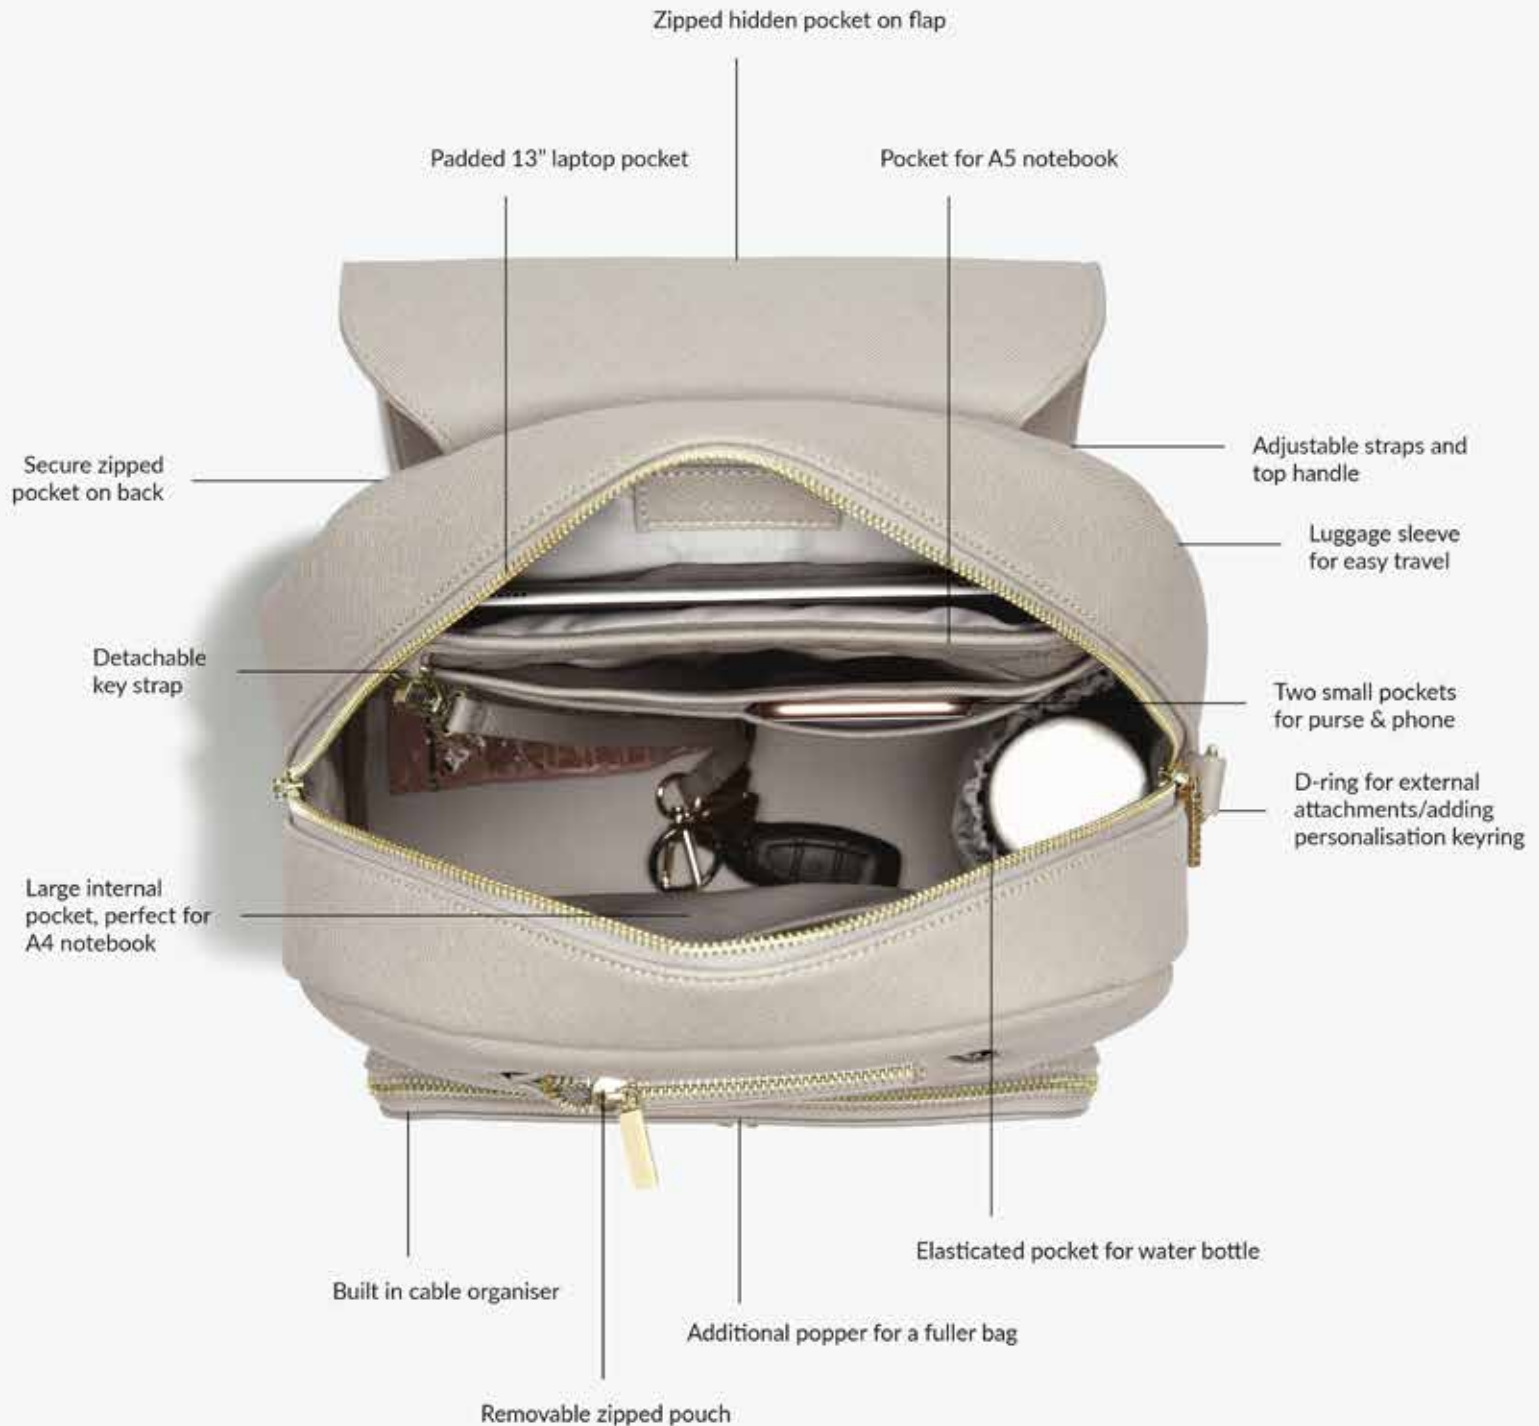

Featuring a handy cable tidy
pocket in the front - perfect
for tangle free wires!

The backpack also includes a
removable mini pouch for when you
just need to dash out to the shops,
or for on the go personal care items.

The Handbag

This handbag really does have a place for everything, no more losing your phone in a bottomless pit! It features multiple internal compartments including a padded quilted laptop sleeve, two elasticated side pockets, a space for your phone as well as a zipped pocket. There is also a large zipped compartment to the base that features a removable drawstring pouch, perfect for gym trainers!

Perhaps the most stylish workout bag, take this bag to the office and then straight to the gym!

The Wraparound Makeup Bag

The Wrap around makeup bag is a great size for storing makeup collections.

Featuring brush wrap section – keeping brushes separate from makeup, protecting the bristles and keeping makeup clean. Also includes small zipped section for things such as tweezers and hairbands, as well as an internal pocket.

No more cluttered dressing tables. The Stackers Hair Accessories Organiser has been designed to neatly hold all your hair accessories and products in one place. The small compartment in the lid is perfect for holding clips, hairbands and any other small accessories you would usually struggle to organise. Lift the lid to find a large compartment which has been designed to keep your brushes and sprays tidy and out of the way. Larger statement pieces such as hairbands can be stored around the outside of the organiser. This multi-functional Hair Accessories Organiser is perfect for decluttering your bedroom or bathroom.

The Makeup Organiser

Are you looking for beauty storage to organise your ever-expanding makeup collection? Introducing the Stackers Makeup Organiser, featuring an open caddy on top with multiple compartments to hold all your everyday makeup from brushes to foundation to lipsticks. There is also a pull-out drawer ideal for your larger palettes and makeup items. The lining can be wiped clean and the organiser has been designed to fit with the Makeup Drawer allowing you to add additional drawers if and when your collection grows.

The In-Drawer Makeup Organiser

If you're low on surface space or you simply prefer your cosmetics organised out of sight, then this one's for you! The Makeup In-Drawer Organiser is the perfect solution to your makeup needs, featuring a wipeable lining and multiple compartments for every type of makeup.

Some of the smaller compartments can be made larger by removing the dividers. For the larger makeup collections, the drawers also expands so can fit a wide range of drawer sizes.
