

stasher®

save what matters™

Endlessly reusable. Radically functional.

Made from pure platinum silicone, Stasher bags are durable, versatile, waterproof, and non-toxic — better for you and the planet. An endlessly reusable storage solution for everything you carry, anywhere you go.

durable + reusable
Temperature and water-resistant to protect freshness.

microwave safe
Cook or defrost safely with seal open to vent.

sous vide ready
Lock in stovetop flavor, just seal tight before boiling.

dishwasher safe
Hand or machine wash. Protect seams by not flipping inside out.

oven strong
Place on oven-safe tray with seal open; up to 400°.

fridge friendly
Chill or freeze leftovers and meal prep easily.

Join the plastic-free movement

Stasher is on a mission to design a plastic-free lifestyle, one bag at a time.

Every Stasher replaces thousands of single-use plastic bags, and 1% of all our sales go to high-impact nonprofits that protect our planet.
